SPECIAL HONOREE**

Dear Readers,

This year, 2020, has proven to be a year of major unrest, civil protest, and loud revolt in our nation, America, and around the entire world! This generation is unsettled because of injustice and the violation of peoples' rights clearly displayed right in front of our faces. In this maze of frustration, hostility, riots and public or open forums in our streets, we see massive explosive tempers of multi-thousands who are fed-up with politics that is only for some and not for all.

When we, and the world, saw the killing of one more Black man openly performed for everyone to see, we got sick and enraged...ANGRY! Yes, Mr. George Floyd's death unleashed EVERYTHING that has been engaged too long! People's actions of hostility and violence turned against so many of the founding fathers or political leaders and their monuments or statues created and built to honor them. That is because many of these historical men's records was uncovered showing their wicked and covered unjust deeds. So, the people...brought them down! They were removed!

**PEOPLE WANT THE TRUTH!
PEOPLE NEED HONEST MEN and WOMEN TO LEAD!
It is time to speak-up!**

In this edition of The Lamp Newsletter International, I am truly honored to feature and present an organization and ministry that was founded and established for the people. Their history and mission began in 1976 in Detroit, Michigan, lasted over 44 years, and is still going! I am extremely grateful to highlight the work and ministry of THE JOY OF JESUS MINISTRIES. It was founded by the late Reverend Eddie K. Edwards, one of Detroit's leading ministers, most charitable businessman, and honest civil rights activists. He accomplished tremendous things that changed a neighborhood, transformed a community, and build a legacy that is immeasurable! God used his work to be noted all the way to The White House and, in 1990, to that seated United States President who awarded Reverend Edwards with a great award.

I cannot tell this amazing story and journey. However, I am pleased to give his beloved widow, DR. MARY DARLENE EDWARDS, this opportunity to share this epic life story with you. Dr. Edwards worked tirelessly and prayerfully with her husband, Reverend Edwards, to accomplish astounding projects, services, events and activities to better the lives of hundreds of men, women, children, youth and seniors. God provided and the Edwards were faithful, dedicated, and forged ahead to bless people!

Now, I am sure that you have noticed her name and picture in this newsletter for years. Yes, Dr. Edwards has been our editor since 2008, the very beginning of this newsletter. I cannot thank her enough for her loyalty and concerns for the success of our efforts. She is a great blessing.

So, readers...I present Dr. Mary Darlene Edwards to you to speak from her heart about her devoted husband, Reverend Eddie K. Edwards and their awesome work, missions, visions and fruits of their dedicated labor in THE JOY OF JESUS MINISTRIES.

God has people who will do as He commands and leads. The Edwards sought His Will and Word. This is what is needed throughout this city, community, nation and around the world! WE NEED GODLY LEADERSHIP that makes the difference!

**DR. MARY DARLENE EDWARDS,
the widow of Reverend Eddie K. Edwards**

As we approach July 25, 2020, I take a journey down memory lane...

On this day, family and friends will celebrate the 16th Anniversary of Rev. Eddie K. Edwards' home going. I welcome this opportunity.

Although many say that Rev. Edwards' departure was premature at age 68, I disagree. More than once I heard him say, "When my work is done, all I want to do is get out of here." He retired June, 2002 and on July 25, 2004, God promoted him to glory. Without a doubt, he heard the Lord say, "Well done, my good and faithful servant."

His legacy continues...

Dr. Mary Darlene Edwards

A NEIGHBORHOOD REDEEMED

In 1976, my late husband, Rev. Eddie K. Edwards, established a summer camp for children in Kingston, Michigan. Every summer, 600 youngsters attended our camp. There was always a waiting list. Rev. Edwards realized the importance of early intervention in the lives of these boys and girls, if we wanted them to grow up to live productive lives. His life goal was to “impact his generation.” Time has proven that to be true.

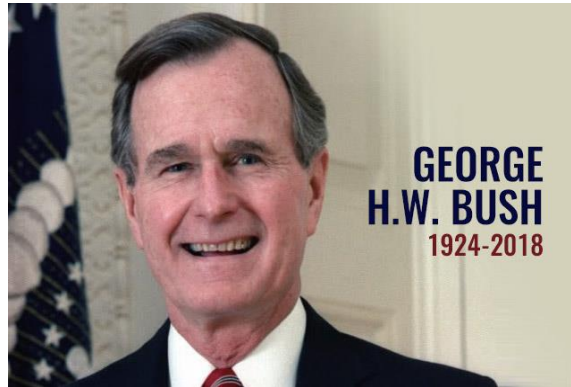

In 1982, I married this man of God and the youth ministry of Joy of Jesus was expanded to include the entire family, when we purchased a former Catholic school building on the eastside of Detroit. We began our community outreach in a 38-block area surrounding our building. The building was called the **Joy of Jesus Embassy** and the neighborhood was called **Ravendale**.

Because children need more than a summer program, along with camp, we embarked upon the establishment of the following initiatives:

- After School Program
- Housing
- Employment & Training
- Joy of Jesus Academy (Gave birth to Cornerstone Schools)
- New Child Development Center (Pre-School-Kindergarten)
- Entrepreneur Program (CEOs Under 17)
- Family Life Center (Camden House – New Start in Life Program)

I developed the curriculum for the New Start in Life Program, wrote the grant for the first \$50,000 that we received from United Community Services to initiate the program, and I became the program director. This enabled us to work with 10 families in the community for one year. The funder was so impressed with our work that they funded us another \$50,000 to continue for a second year. They referred to Camden House as their “Stellar Program.” The grant was called, **The Family Approach to Crime and Treatment. (F.A.C.T.)**

These comprehensive programs were conducted by a dedicated staff and numerous volunteers throughout the years. As a result, Channel 56 and Channel 2, both here in Detroit, were so impressed with our results that they conducted a year-long documentary of our ministry called, “A Neighborhood Redeemed.”

On the same day it was released to the public, we were honored to receive the 107th Point of Light Award from former President George H. W. Bush, Sr. He actually brought it to us. People asked, “Who is your PR person?” Rev. Edwards would respond, “The Holy Spirit.”

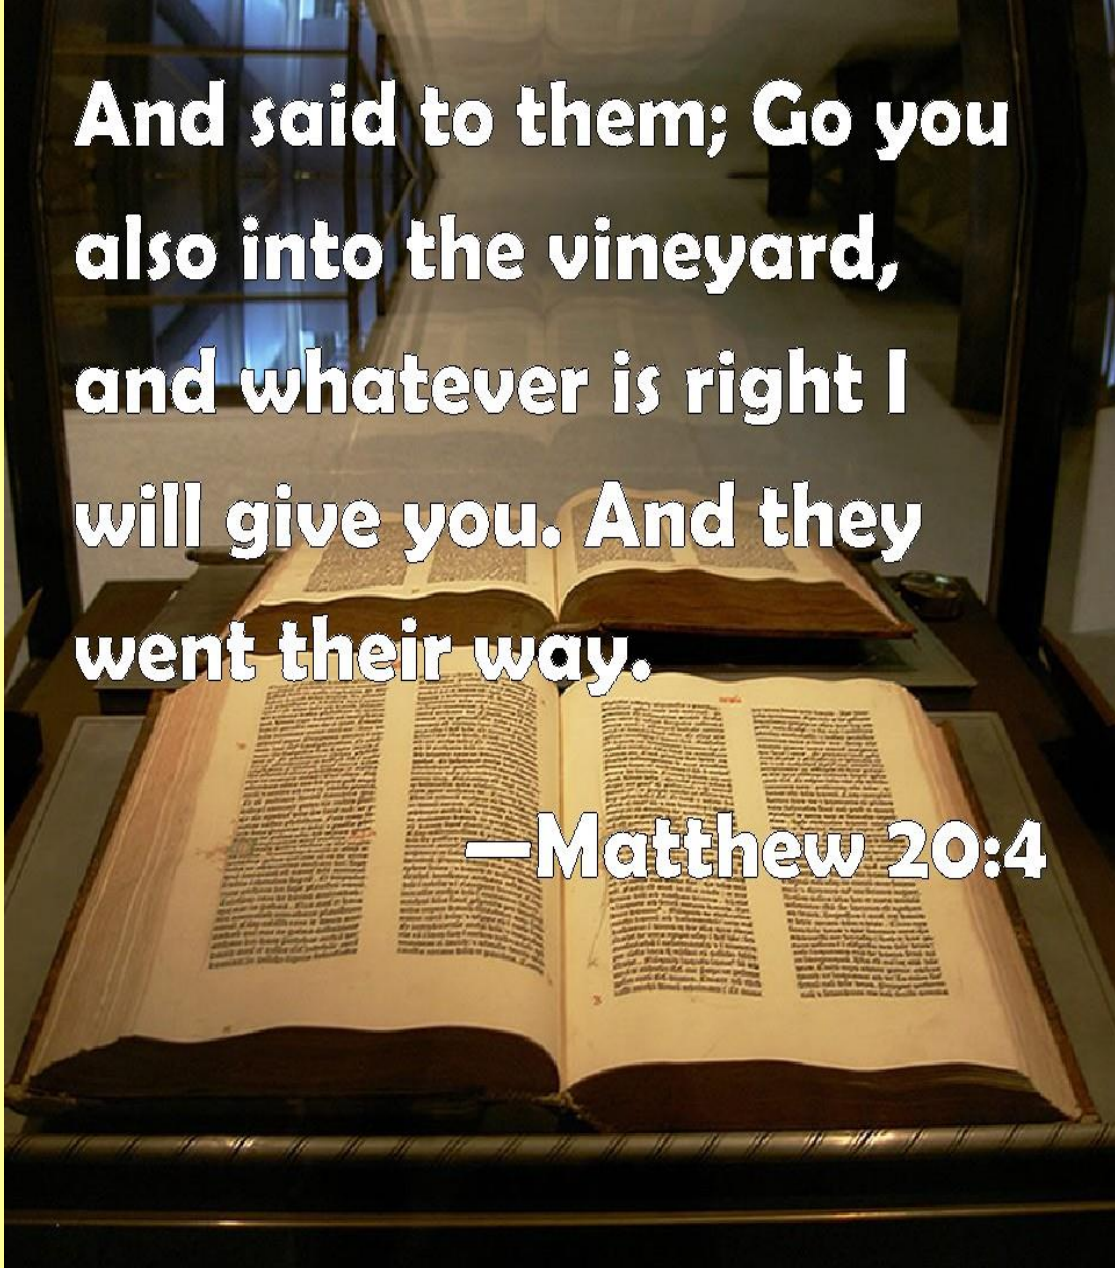

In addition to crafting the 52-question survey that started our community outreach work in Ravendale, I recruited the volunteers to go door-to-door with the questionnaire, and served as part of the team that did the evaluation. Wayne State University underwrote the expenses associated with the development of this initiative. It is my understanding that this model is being used in other sociology classes throughout the country.

While I was the Director of Camden House, I was recruited by Congress to serve as one of the consultants to give input on a two-year study called “The Root Cause of Substance Abuse.” This study was requested by the late Congressman John Conyers, Jr.

Anyone interested in initiating or taking their outreach to youth, families, and/or communities to another level, feel free to contact me. Our works are available at the University of Michigan Bentley Legacy Library.

Shortly after my dear husband’s departure, I started an outreach to widows who must learn how to live alone without their spouses, thereby enhancing their own lives. Check out our website: www.widowswithwisdom.org .

An open Bible is the central focus, lying flat on a dark wooden surface. The pages are filled with text, and the binding is visible in the center. In the background, a person is partially visible, standing near a window with a grid pattern. The scene is dimly lit, with light coming from the window, creating a contemplative atmosphere. The text is overlaid in a large, white, bold font.

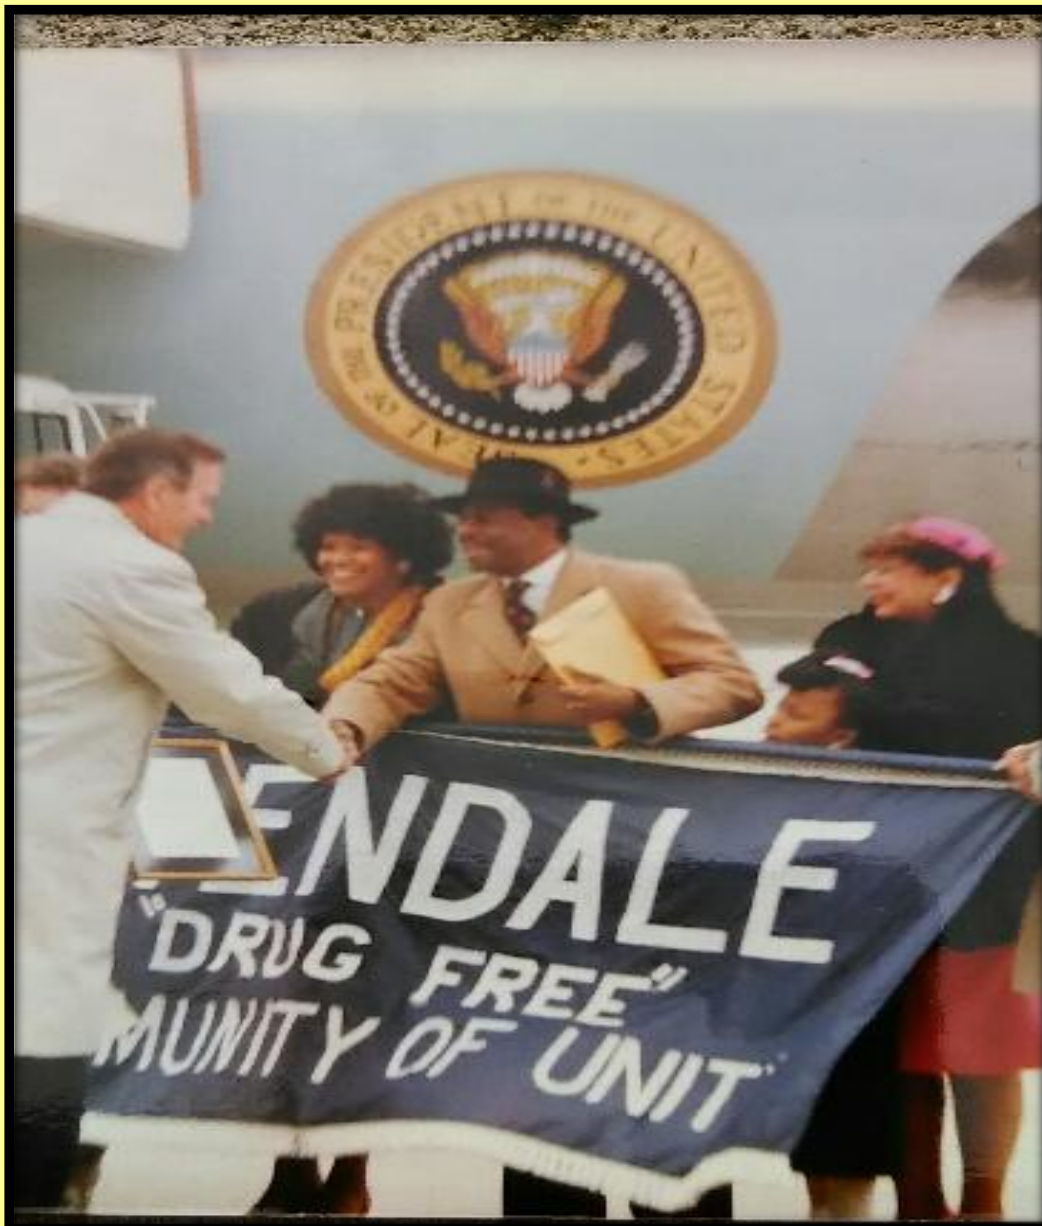

**And said to them; Go you
also into the vineyard,
and whatever is right I
will give you. And they
went their way.**

—Matthew 20:4

God blessed and anointed Reverend Eddie K. Edwards and his wife, Dr. Mary Darlene Edwards, to go forth in this ministry. They gave their love, finances, time, energy, household goods, personal items, clothing, and whatever they had to give to build Joy of Jesus Ministries. They invested their lives for others so that people facing obstacles would become fruitful and multiply in the goodness of the Lord.

Reverend Eddie K. Edwards and Dr. Mary Darlene Edwards followed God's commands and orders. They were faithful to the end of this great ministry. They continuously gave God the glory for all that He did throughout those many decades of service.

POINT OF LIGHT AWARD 1990

In 1990, we were honored to receive the 107th Point of Light Award from former President George H. W. Bush, Sr. He actually brought it to us. President Bush, Sr. is pictured in front of the banner in the white trench coat shaking Rev. Edwards' hand. To the left of Rev. Edwards is Ms. Toni McIlwain, our community outreach coordinator. I am to his right wearing a pink hat and Tiffany, our granddaughter, is standing in front of me. Behind us is the USA presidential plane, Air Force One.

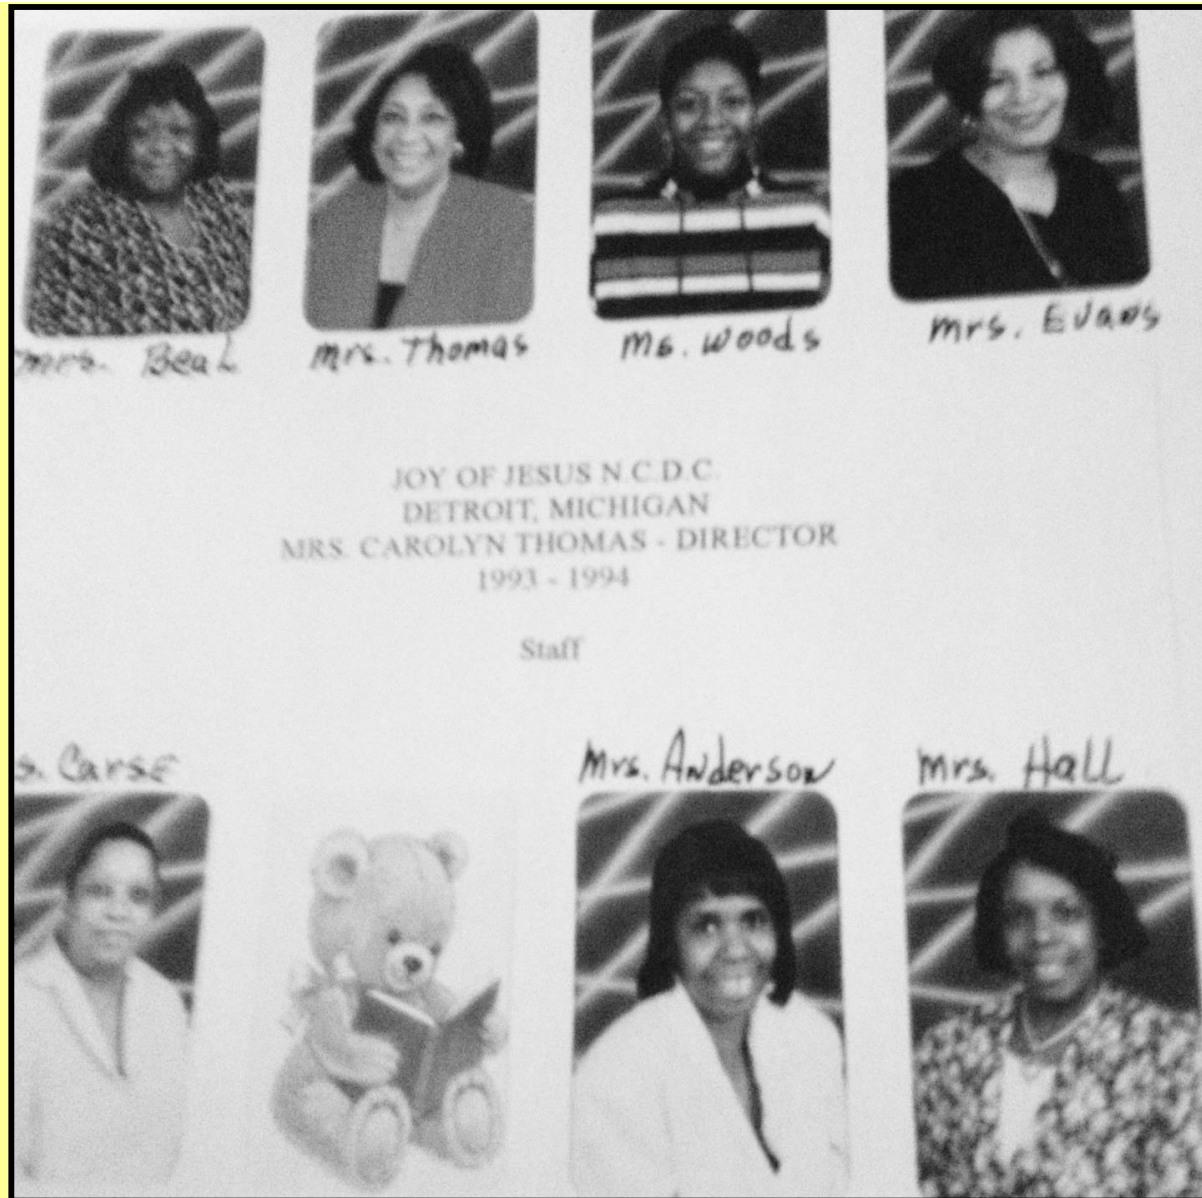

Our programs focused on three things: character, education and recreation. Our goal was to provide a safe and fun environment during non-school hours in which youth could explore and develop their potential for academic success and understanding of skills necessary to succeed in life.

"We provide a safe environment for playing, learning and self-expression. We are laying a solid foundation for maturing in Christ, success in school, home life and ultimately the workplace."

Reverend Edwards, who was named "Michiganian of the Year" by the Detroit News, in 1989, started in ministry at Project Start, where he assisted ex-convicts with job readiness and employment opportunities.

Beginning in 1982, Edwards transformed 38 blocks of Detroit's desolate eastside into a livable community. The project was the subject of a 1990 documentary, "The Ravendale Project," along with special highlights in "A Fruitful Legacy Memorabilia Collection" for the establishment of the Ravendale Detroit Community Outreach.

BAPTISM

TAKE THEM TO THE WATER RAVENDALE RESIDENTS DETROIT, MICHIGAN

To the right is Reverend Eddie Edwards, the founder of Joy of Jesus Ministries, with his Bible and towel. He was greatly delighted to serve the residents of Ravendale. They sought spiritual guidance and teaching of the gospel of Jesus Christ our Lord and Savior. Standing with him is a young minister who assists Rev. Edwards in the ministry.

Women and children are ready to be water baptized. It was a great blessing to minister to them. We were able to tell them about the love of the Lord. The residents of Ravendale lives were changed. They were transformed.

Large groups of boys and men were baptized separately from the females.

TEEN GIRLS IN CAMDEN HOUSE PROGRAM RAVENDALE RESIDENTS

In our ministry, our goal and prayer was to lead, guide and train-up intercity Detroit teenage girls to survive and press forward pass challenges and difficulties. God allowed us to provide programs, activities and services to help them excel and succeed beyond limitations and boundaries. These are just a few young ladies that benefited from what we offered over the decades of outreach.

CAMDEN HOUSE, New Start in Life Program RAVENDALE FAMILIES

The Edwards dearly loved the many families that they ministered to with the Gospel of Jesus Christ. These families in the Ravendale Community of Detroit received needed services, vital support, guidance, prayer, and special considerations from Joy of Jesus Ministries.

28 Years of JOY of JESUS SUMMER CAMPS: Annually, attended by 600 urban youngsters

In 1976, my late husband, Rev. Eddie K. Edwards, established a summer camp for children in Kingston, Michigan. Each year 600 youngsters attended our camp. There was always a waiting list. Rev. Edwards realized the importance of early intervention in the lives of these boys and girls, if we wanted them to grow up to live productive lives. His life's goal was to "impact his generation." Time has proven that to be true.

As a Result, intercity or urban youth had the opportunity to experience many things that they did not have the means or income to do so in life. We were able to give them a different and wider view on the world. They were given a special time and freedom from the many struggles and oppositions they daily faced in their own lives. We wanted to provide our youth with new visions and build strong goals for them to achieve and succeed. Our youth discovered a new outlook and more positive attitude, even in the midst of dealing with numerous challenges.

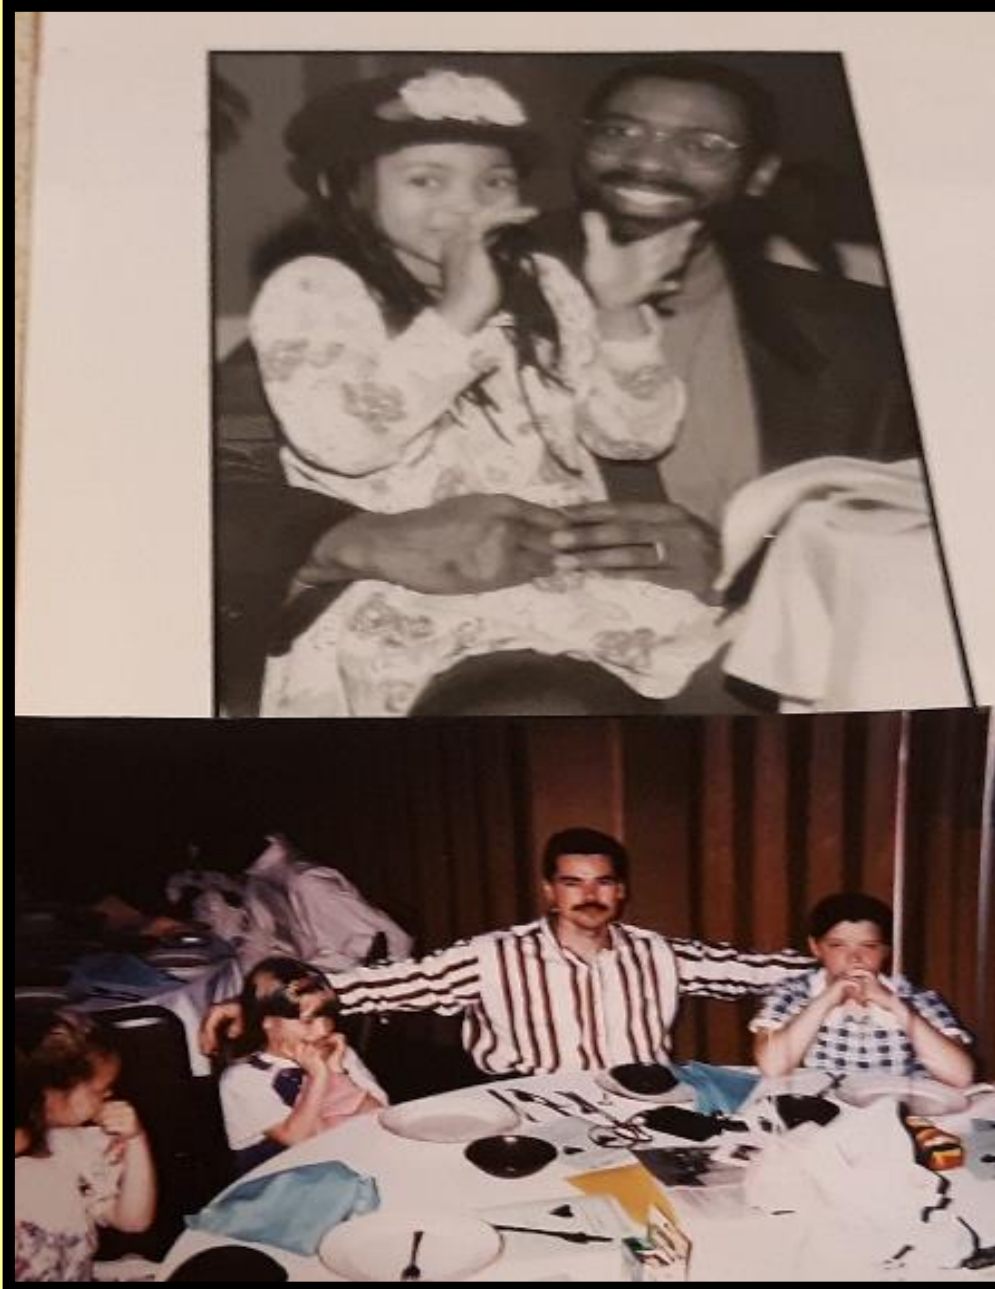

Leaders stand waiting with the many excited children and supportive parents who have gathered to go to the annual summer camp. Buses and cars are ready to take children and youth to camp for a fun time, spiritual enrichment and fellowship.

1999 DADDY'S GIRL ANNUAL EVENT

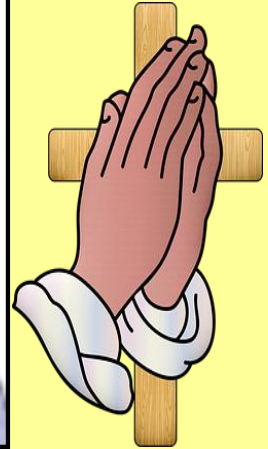

HIGHLIGHTS of the DADDY'S GIRL ANNUAL EVENT

Each year, these events were very exceptional and heartwarming to see young daughters receive special attention from their fathers. Through our ministry, Joy of Jesus, we wanted to build and encourage this loving relationship between fathers and daughters. This is still so needed in homes, churches and throughout communities. God gave us great success in this mission.

Vital Ministry for Young Boys and Teenage Male

The Joy of Jesus Summer Camp in Kingston, Michigan launched this wonderful week-long experience with boys in 1976. Ages nine and up attended the camp, with many becoming junior camp counselors in pursuing years. A few summers later, girls were added under the anointed leadership of Mrs. Barbara Grier, a Detroit school teacher. The 70-acre camp was 90 minutes outside of Detroit. For these inner-city children, this served as a vacation. Many of them had never been out of the city of Detroit.

For eight weeks, each year, 600 boys and girls attended the camp with a long waiting list. Where else could parents send their children for just \$35.00 a week in 1976!

The children would write thank you letters to their sponsors, who reported that they were thrilled to learn that the chapel experience was the highlight for many of the children. Numerous young people accepted Jesus Christ as their personal Savior.

One of the highlights that we like to share is that one of the male children, whose father was a pastor, was very mischievous – not bad – just mischievous. He was well-liked by the boys. Had the camp not been so far away, he would have been taken back home before the week ended. However, one of our adult counselors was told to “shadow” him everywhere he went. Rev. Edwards couldn’t get this kid off his mind. The next year the youngster was asked to return as a junior counselor.

Fast forward... eventually, this young man ended up serving as our adult camp director! He joined the military after high school, went to medical school, became a doctor in the military – AND STARTED WEEK-LONG JOY OF JESUS SUMMER CAMPS in several cities throughout his travels. He is currently a gynecologist in Arizona. TO GOD BE THE GLORY.

Rev. Edwards' legacy lives on. Everywhere I go today, mothers and grown men come up to me and say, "I went to Joy of Jesus Summer Camp when I was 10 years old. Today, I have children 10 years up and older. My experience at Joy of Jesus camp will long be remembered."

Dear Friends:

I am happy to announce that the great work done by my late husband, Rev. Dr. Eddie K. Edwards, founder of Joy of Jesus Ministries on the eastside of Detroit, can be found in the University of Michigan Bentley Legacy Library. See the link below.

Please know that the Joy of Jesus Summer Camp for children was started in 1976. Rev. Edwards and I were not married until 1982. Upon our becoming one, God moved mightily and together, along with our great team of ministers and neighbors, we established the Ravendale Community outreach. As I said earlier, God used me to craft the 52-question needs assessment survey and recruit the volunteers that we used to begin our outreach work. I want to personally thank the many folks from the city and the suburbs who went door to door in the community to gather information from the residents for this mammoth outreach.

Please know that I am available to personally assist anyone reading this message who wants to BUILD COMMUNITY! I have the questionnaire and am willing to share it with you.

Look now. You just might see your face and your labor of love at work!

Widows With Wisdom Ministries

Dr. Mary Darlene Edwards, Founder

Reverend Edwards's death in 2004, left his wife, Mary, a widow wondering what to do with her life going forward. She got the answer.

"The day after the funeral I found myself standing in the middle of my living room asking myself (or God), 'What do I do now?' she says on her website. "I had so many questions and so few answers. I'm sure the reply to my question was from God because he called me by name. *"Mary, I want you to start a ministry for widows such as yourself. It shall be called, 'Widows With Wisdom.'*"

In August 2004, "Widows With Wisdom" (WWW) was launched in my living room. To date, we have touched the lives of countless widows. They have either attended our monthly meetings or have had contact with us by telephone or Internet. They are from all parts of the country and the world. Many have asked about the possibility of starting their own support group. There are over 147,000 widows in Michigan alone. Please know that I am willing and available to help

you launch this very critical outreach. You can reach me by phone: (313) 744-MARY (6279) or by email: mary@widowswithwisdom.org.

We have a resource handbook for widows called, "[TRANSITION: FROM WIDOWHOOD TO WOMANHOOD](#)." This dynamic tool contains information and testimonies from widows who are in the process of moving FROM WIDOWHOOD TO WOMANHOOD.

Legacy Man Meets Legacy Lady

As some of you reading this may know, I was honored to be chosen out of thousands of nominees for the very first John Maxwell Leadership Award. Although I didn't win the \$25,000 grand prize, my gifts to the body of Christ were recognized and I came in among the top 30 overall and in the top 3 in the Family/Youth category. This spectacular inaugural event was held in Orlando, Florida.

I want to give a shout out to my personal assistant, Minister Wendy Tucker, who nominated me. Not only did Minister Wendy nominate me, but she drove by herself from Savannah, Georgia to meet me in Orlando and found housing accommodations for us called "Legacy" in Orlando. We were especially surprised to discover that the John Maxwell theme was "LEGACY!" How cool is that? Below are some photos of this memorable occasion. I want to eventually become a certified John Maxwell Leadership Team Coach. Please pray with me. This move will extend my reach to more folks who need to know how important it is to leave a legacy. I was truly blessed by the keynote speaker, Nick Vujicic. Goggle his website and ask yourself, "How do I want to be remembered?" We have NO excuse.

Lifelong Friendship

Dr. Mary Darlene Edwards

Mrs. Caroline Huff Thomas

The Bible tells us in Prov. 18:24 that there is a friend that sticks closer than a brother (sister). I have such a friend. She was born in Macon, Georgia. I have a special name for her, "Georgia Peach." She fits the name beautifully.

The urban dictionary defines a Georgia peach as "A pretty young woman who hails from the state of Georgia." Indeed, she is pretty on the inside and out.

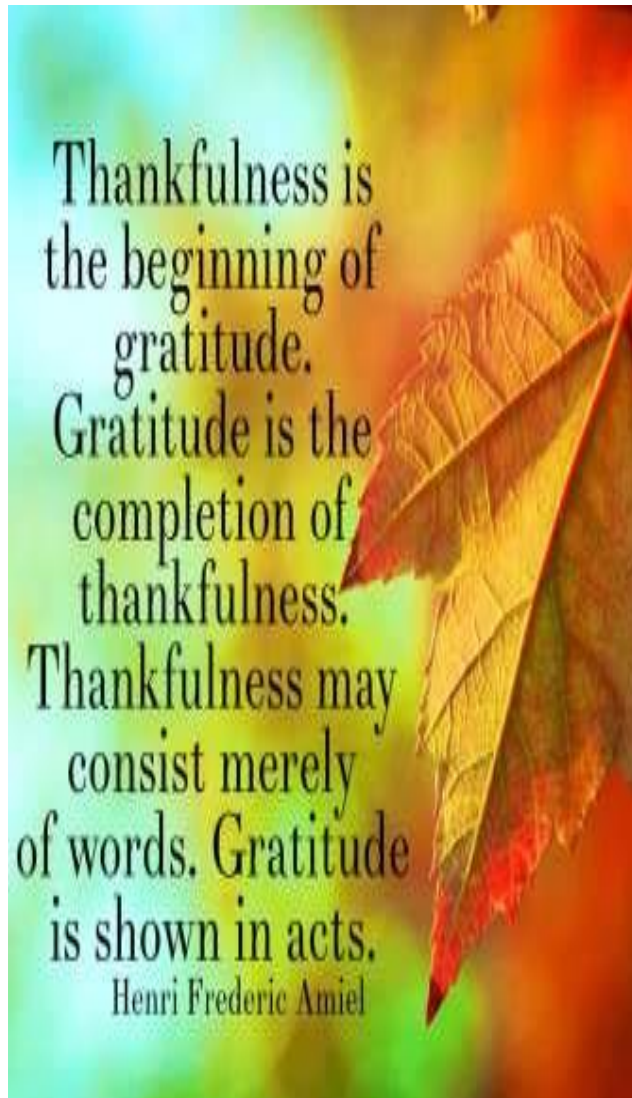

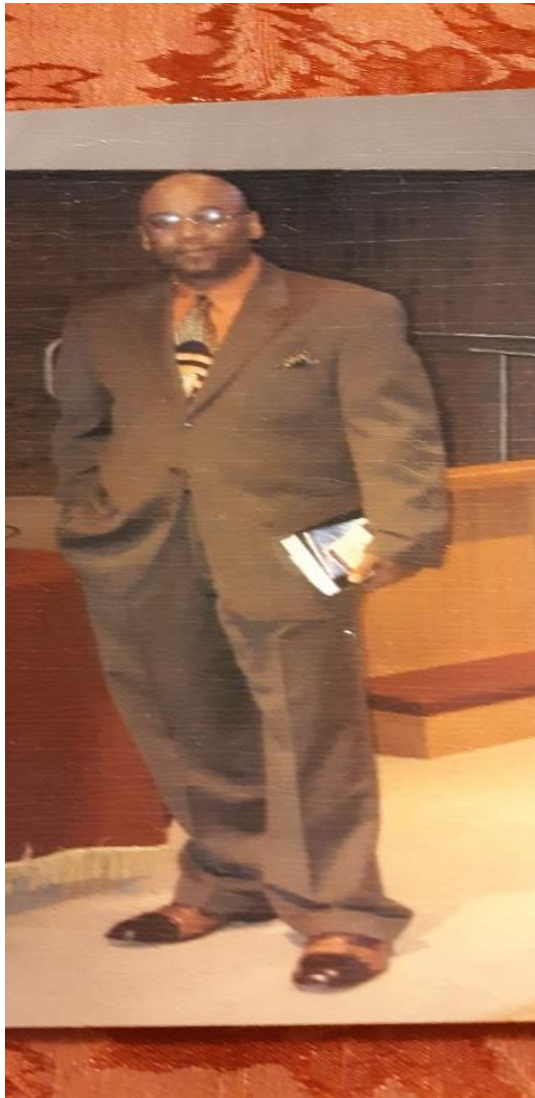

God has given Dr. Edwards an extra special blessing in her lifelong friendship with Mrs. Caroline Huff Thomas. They found a unique connection as teenage girls. Their lives continued on through their careers, call to Salvation, raising of their children and into adulthood.

Mrs. Thomas has served as a leader and helper on most of Dr. Edwards's ministry outreaches and committees. In the early 1990's, she joined the staff of Joy of Jesus Ministry and later became the Director of the New Child Development Center in the Ravendale Community in Detroit. For several years Caroline was a vital asset to this ministry, serving in several capacities.

Years later, Dr. Edwards founded other ministries and her dear friend, Caroline was supportive and a leader in those organizations: His Lovely Wife and Widows With Wisdom. In 2020, Caroline was Dr. Edwards' assistant and a proof-reader of the newly published anthology, "Whatever Happened to Mamas? "

Now, in their golden years, they share their life experiences, knowledge, wisdom and time, to enrich each other's lives. They are involved in events and activities that bless children, the youth and senior citizens. Dr. Edwards and Mrs. Thomas endeavor to empower each generation with their testimonies and good deeds. They are life changers!

MY LOVING SON
Mr. Donald Brooks

June 9, 2020, is a very special day. It was my dear son Don's 55th birthday. There was a time in my life that I didn't know if he would ever be born. His father George and I wanted him so much. We waited five years after our marriage for him to make his arrival.

God is a family man. He loves family. Don is also a man who loves his family. He has always been around when we needed him, especially during times of illness. He was around to care for both grandmothers and Audrey (Nana), Almata (Dear). He was around to care for his Auntie Sharon and his dad George, and he has been around to care for me. God has given Don a heart of compassion.
